PET GROOMERS AND ENGLAND LOCKDOWN

1. We are OPEN 'for welfare reasons'

In accordance with the guidance for pet groomers delivered on behalf of the Government* on 4-Nov-2020, "An owner may take a pet to be groomed by appointment if the grooming is necessary for welfare reasons." (source: www.cfsg.org.uk/coronavirus)

Please be reassured we are working closely with all our staff and our pet-owning customers to ensure compliance. Thank you for your understanding.

2. Covid-Secure: we have strict safety and handover protocols in place

We are following the strictest guidance to ensure our workplace is Covid-Secure to protect our customers and staff. This includes staggered appointments, regular cleaning and observing the Handover protocol provided to us by the Canine and Feline Sector Group on behalf of the Department for the Environment, Food and Rural Affairs (Defra) and approved by Public Health England.
